

The background of the entire page is a close-up, low-angle shot of a KONE KDS300 elevator control panel. The panel is yellow and mounted on a wall with a wood-grain texture. It features a digital display at the top showing the number "8" and some text below it. Below the display are two sets of speaker grilles. At the bottom of the panel is a numeric keypad with circular buttons numbered 1 through 24, arranged in a grid. The lighting is dramatic, with strong shadows and highlights.
